First Appointment

You are very important to our office. We reserve two hours for your initial visit, to ensure that we can accurately assess your complete dental health. We want to provide you with the same quality of care that we demand for our own family and friends.

We understand that emergencies happen, however we have a cancellation policy. Please allow us at least 24 hours advance notice if you need to reschedule at a more convenient time. If last minute changes are necessary, the cancellation fee will be charged to your account.

Thank you for your consideration of this matter. We look forward to seeing you in our office soon.

Appointment Cancellation Policy

Because of great patients like you, we are blessed with the gift of a growing practice. However, we don't want to lose our ability to schedule you quickly and conveniently. Effective immediately, we will be requiring that any appointment change be made at least 24 hours in advance of your scheduled time. Failure to do so will result in a \$72 cancellation fee.

We do not overbook our schedule and remain committed to the great deal of time Dr. VanBrunt and our hygienists spend with you. Through our mutual cooperation, we can both ensure you receive the highest care possible for which you are accustomed to receiving.
